Builders Without Borders of Texas

A 501(c)3, non-profit organization dedicated to helping others

December 2024

We don't just build buildings. We build lives.

Thank you for giving. Your gifts matter.

Thank you to everyone who has sent support during this past year. It is difficult to put into words the difference that your support makes. The money you give doesn't just make lives better... it saves lives, literally.

Last school year, 350 students at our schools in Haiti received a hot meal every day. This school year, the number of students has increased to 425. For many of the students, this is the only meal that they can rely on. **The impact of this is HUGE!**

2023/2024 School Year

350 students educated

350 students fed daily

64 jobs provided

2024/2025 School Year (so far)

425 students educated

425 students fed daily

70 jobs provided

When our high school first opened, many of the students were struggling to stay awake and to focus. Teachers reported that several of the students were almost lethargic, and they believed that the problem was hunger. One day, a male high school student was so weak that he passed out. As a result, we added the hot lunch program. We added a small kitchen and hired staff that cook and serve a high protein hot lunch to every student every day. Teachers reported that they have seen a big difference in the students since the food program began.

Less than half of Haiti's children attend school at all. Even less go past elementary school. The importance of providing an education for children who would otherwise probably not receive one is obvious and comes with a known cost. What might not be as obvious is the hope for the future that education and jobs bring to the students and to the community. Haiti is a very difficult place to grow up and to live. Hope and joy can be difficult to find. The joy that comes with a hope for the future is priceless.

One year ago, on Christmas Day 2023, 45-day-old Rosmaelle was orphaned and left at the gate of Kenbe Fem, our children's home. Because of the support we received, Rosmaelle stayed and has thrived. There are 54 children living in the home right now. They all receive an education, basic necessities, and the love and guidance of house parents. Sadly, there are more Rosmaelle's out there, and more will likely come our way. If you are not already a supporter of BWBT, please consider becoming one. Help us continue to provide for the children at Kenbe Fem and to be prepared when another child needs us. You can give a one-time gift or set up a recurring donation. Every dollar matters.

A link to give online, whether a one-time gift or to set up a recurring gift, can be found on our web site at www.bwbttexas.org.

Checks can be sent to: BWBT, P.O. Box 202, Friendswood, TX 77549
